DENI UTE MUSTER

2017 CATERING SITE APPLICATION

Festival dates: Friday 29th and Saturday 30th September, 2017

APPLICATIONS CLOSE: 5.00pm Friday 31st March, 2017

FESTIVAL OVERVIEW

The Deni Ute Muster (**Festival**) is promoted by the Deni Play on the Plains Festival Ltd (**we, us** and **our**). The Festival aims to attract catering sites that offer a variety of enjoyable, affordable, high quality goods and services at competitive prices.

All catering sites should reflect the locally orientated, friendly and relaxed atmosphere of the Festival and it is expected that catering sites will feature colourful and festive decoration.

TERMS AND CONDITIONS

These Terms and Conditions set out the basis on which you will be granted a non-assignable licence to have a catering site at the festival. Tickets to the festival are given and admission is granted on the basis that you are bound by these Terms and Conditions.

A reference to 'you' and 'your' in these terms and conditions is a reference to each vendor; and a reference to your personnel is a reference to your employees, contractors, sub-contractors, employees of sub-contractors, labour hire employees, work experience students, volunteers and any other representatives engaged by you for the Festival.

APPLICATION PROCESS

You must be the registered and licensed owner and principal operator of the catering site for the duration of the Festival, including Bump In and Bump Out.

Application forms are at the end of this document with all submission details explained.

All relevant application forms must be completed with as much information as possible about the proposed site. Incomplete or illegible applications will not be accepted.

SELECTION PROCESS

Selection of sites is based on information you provide to us and factors we take into consideration when selecting sites for the Festival, including:

- quality and attractiveness of your product
- diversity and variety of catering sites for our patrons
- presentation of your site
- menu items and prices

Make sure you include a precise and detailed description of your catering site. You must include an artist impression and/or visual image / photos, in colour, to assist with your application.

Some catering sites may not be accepted mainly for reasons of duplication. Non-acceptance is not a reflection on you or your site.

Acceptance emails will be sent within ten working days after the closing of applications. **Please ensure you have given the correct email address as this will be the main source of communication.** In the event your application is unsuccessful, you will also be notified via email. If your application is successful, you will receive a Vendor Information Pack in August.

Please note: Site allocation and the selection of catering sites is at our absolute and sole discretion and all decisions are final. We reserve the right to reject any application. No further correspondence will be entered into with unsuccessful applicants.

We accept no liability for damage to electrical equipment due to power fluctuations or failure.

All catering sites are asked to keep electricity consumption to the absolute minimum. There is no power available for heating purposes.
