FESTIVAL HISTORY

The Deni Ute Muster was established in 1999 with a vision to put Deniliquin on the map. In doing this, the ute was the focus of a world record attempt, attracting 2,839 utes in its first year. Now going into its 21st year, the Deni Ute Muster annually attracts up to 20,000 people from all corners of Australia.

Who we are

Australia has long desired an event that offers patrons a truly authentic experience and the Deni Ute Muster has become a “must attend event”, and a “rite of passage” for Australians from all over the country. The Deni Ute Muster provides an experience like no other as it is quintessentially Australian and extremely unique in relation to the way Australians love to live and the outback way of life. In recent times the Deni Ute Muster not only attracts ute enthusiasts but all vehicle lovers and families across the nation.

Played out on the largest, flattest plains on earth the Deni Ute Muster is proudly recognised as one of Australia’s premier rural events that encapsulates the diversity, tradition and vibrancy of outback Australia. Each year, the Deni Ute Muster attracts international superstars and legendary Australian artists who take over the main stage and entertain tens of thousands of people across the two-day event.

In 2019, we are ecstatic to have Tim McGraw headline our festival.

The 21st Deni Ute Muster will be held on the NSW Labour Day Long Weekend, the 4th and 5th of October 2019.

We are a dedicated team of event specialists, that includes a volunteer board of business savvy directors that work tirelessly year in, year out, to ensure our patrons have the time of their lives at an event like no other. As well as this, we pride ourselves on exceeding our sponsor and partner expectations as well as working together to ensure our event grows in its many facets.

The Deni Ute Muster attracts up to 1,000 volunteers annually.

“Our volunteers don’t necessarily have the time, they have the heart”. Our hard-working volunteers assist us in a variety of ways including in the lead up to our festival and across the festival weekend.

WORLD RECORDS

At the core of the festival is the World Record Ute Count and Blue Singlet Count. People from all over Australia come to take part in these truly unique traditions at our event.

The World Record Ute Count

Every year we count how many utes come into our famous festival site. Our highest standing record is **9,736** utes! Imagine if we counted all the cars and caravans as well.

The Blue Singlet Count

The Blue Singlet Count has the highest attendance out of the entire entertainment schedule at our festival. Our patrons absolutely LOVE this 20 year old tradition.

To take part all you need to do is wear our signature blue singlet and make sure you arrive at the Blue Singlet Count on Saturday the 5th of October at 1pm at the Main Stage.

We entertain our patrons at this event with a live MC and bands.

In 2015, a new Blue Singlet Record was set with a count of **3,959**.

WORLD CLASS MUSICIANS

The festival was started to celebrate the authentic culture of rural Australia. But, in order to entertain festival goers there needed to be more than just activities that showcased country NSW. This is where our world class musicians came in. At our first festival held in 1999, the legendary **Lee Kernaghan** played his heart out to his biggest fans.

Since then, we have attracted the creme de la creme of country music artists from all over the world. In 2019, our event is being head lined by **Tim McGraw**. For a festival held in a small country town we have been blessed to have musical icons set foot on our unique reddish brown soil.

THE MARKETING NERDS

Anika Ahmad Bull
Marketing and Media
Coordinator

Advertising and media buying runs deep in Anika's blood, her family started one of the first advertising agencies in Pakistan (now run by her cousins). So, it makes perfect sense that she looks after the advertising for our festival.

Poor grammar gives her the heebie-jeebies. Anika has spent 12 years studying and working in the marketing industry and the Deni Ute Muster was lucky to grab her when she moved to Deni with her farmer husband, Will. You will find Anika at Muster HQ two days a week.

She spends the rest of her time raising her daughter Elaahn and Labrador Jasper. Anika loves travelling, shopping, good food and yoga.

Julia Druitt
Marketing and Media
Coordinator

It only makes sense that Julia looks after our social media, she is part of Gen Z after all, which is obvious when you come across our socials – THEY ROCK! She is a marketing and PR whiz who has spent the last 5 years studying in Melbourne, but the unique soil of Deniliquin runs thick in her veins and the charm of living at home won her over. Julia looks after all the Deni Ute Muster communication that goes out into the world from our little town on the banks of the Edward river. When she isn't working, she is skiing on the river, spending time at the Deni Boat Club and hanging out with her friends.
