# ACCESSIBILITY

The Deni Ute Muster is a community event and welcomes everybody. We are constantly working on ways to improve our Festival Site and the experience for all, including our guests with disabilities and limited mobility.

The Deni Ute Muster is held on rural land, the Festival Site is large, situated on 160 hectares. Paths of travel are either dirt or loose gravel, during peak periods the festival can be very crowded.

The accessible amenity blocks within the festival arena are basic.

During the day, the weather conditions can be extremely hot, and on some evenings, quite cool. In the event of rain, the site can become very muddy.

This can create some mobility issues for wheelchair users (both manual and power chair's) and for guests using other mobility devices like walkers.

## ACCESSIBILITY CAMPING

We acknowledge that a number of our guests may have other mobility, sensory, cognitive or medical requirements beyond wheelchair access that may also require accommodation in the accessible camping area. Given the small size of the accessible camping area we will do our best to accommodate any guest who identifies with any of these accessibility/medical considerations within this site. Depending on the amount of enquiries, we may have capacity to provide a secondary accessible camping area that is a further distance to the entry gate but still provides access to the same amenities available in our primary accessible camping site.

We know some power-wheelchair users also need access to power for the purposes of recharging their power-chair battery. Please contact us if you require this consideration not only in the camping area but across the site more broadly.

If you require further assistance with any mobility, sensory, cognitive or medical needs while staying with us in the camping area please reach out to one of our friendly volunteers. We wish you an enjoyable and fun time at the Deni Ute Muster 2025.

The festival has 2 x designated accessible camping areas available for campers with disabilities.

All camping sites are unpowered.

Camp Area 1 next to the Ute Paddock with access to toilet and shower amenities. (No caravans or trailers, Utes only)

Access to Festival Arena via Gate 1.

Camp Area 2 opposite Peppin Paddock.

Access to Festival Arena via Gate 2. Access to an accessible toilet amenities block. Consisting of Two units:

Unit 1: there is hydraulic lift, adult electric change table, accessible shower toilet and basin.

Unit 2: has an accessible shower toilet and basin.

Access to Festival Arena via Gate 2.

## DISTANCES

Distances from the accessible camp areas to attractions and places of interest in the festival arena are marked on maps at each gate entrance.

## COMPANION CARD

The festival provides a weekend ticket, free of charge to the Companion Card holder's carer to ensure both can have a fantastic time at our event.

Only 1 (one) carer complimentary ticket per companion card.

## ACCESSIBILITY FOR DAY VISITORS

We have a designated wheelchair access parking area and an ambulant access parking area left of the bus stop with direct access to the search area and entry via gate.
