CHAIRMANS WELCOME

G’day and welcome to the Deni Ute Muster!
On behalf of the entire Muster team, it’s an absolute pleasure to welcome you to Deniliquin for another massive celebration of music, mateship, community and good old-fashioned Aussie fun!
For 27 years, the Muster has been bringing people together from all corners of Australia and this year, we’re ready to do it all over again, bigger, louder and with plenty of Muster magic.
We’ve got an incredible line-up ready to hit the stages, from international stars and country favourites to local legends. We’re especially excited to welcome Tyler Braden all the way from the USA and Ethan Miller from Canada.
But the Deni Ute Muster is about more than just the music. It’s the utes, the camping, the laughs, the competitions, the dancing, the unforgettable moments and most importantly, the people who make this event what it is.
Whether this is your very first Muster or you’ve been coming back year after year, thank you for being part of our Muster family. We hope you throw yourself into it, sing a little louder, laugh a little harder and make memories you’ll be talking about long after the last song finishes.
Enjoy every minute, look after your mates, stay safe and soak up everything the Deni Ute Muster has to offer.
Here’s to another huge, unforgettable Muster!
Welcome to Deni let’s make some memories!

Regards,
Russell Tait
Chairman

MESSAGE FROM THE MINISTER

Welcome to Deniliquin in the heart of the beautiful NSW Riverina for the 2026 Deni Ute Muster, a uniquely Australian celebration of music, mateship and, of course, the mighty ute.

Since 1999, this iconic festival has brought people together from all walks of life, growing from a small community event into one of Australia's most popular regional experiences and a fantastic showcase of the spirit and character of regional NSW.

With an incredible live music line-up featuring local and international artists, thrilling driving competitions and plenty of activities and attractions around the grounds, the Deni Ute Muster promises another jam-packed program of entertainment for the whole family.

The Riverina is also one of the jewels of our state, with world-class wineries, river adventures, charming country towns, stunning landscapes and exceptional local food offering plenty for visitors to discover beyond the Muster.

I wish all participants a safe and enjoyable 2026 Deni Ute Muster. For those visiting the region, I encourage you to take some time outside the festival to explore everything the Riverina has to offer and support the local businesses and communities that make this part of NSW so special.

The Hon. Steve Kamper MP
Minister for Jobs and Tourism

ACCESSIBILITY

The Deni Ute Muster is a community event and welcomes everybody. We are constantly working on ways to improve our Festival Site and the experience for all, including our guests with disabilities and limited mobility.
The Deni Ute Muster is held on rural land, the Festival Site is large, situated on 160 hectares. Paths of travel are either dirt or loose gravel, during peak periods the festival can be very crowded.
New to the Festival Arena are four permanent Accessible single toilet blocks.
During the day, the weather conditions can be extremely hot, and on some evenings, quite cool. In the event of rain, the site can become very muddy. This can create some mobility issues for wheelchair users (both manual and power chair's) and for guests using other mobility devices like walkers.

ACCESSIBILITY FOR DAY VISITORS

We have a designated accessible parking area in the main Day Car Park down the main drive, near the bus stop for day visitors. This day parking area is automatically available for any vehicle bearing a standard Disability Parking Permit.
The accessible parking area will be displayed on the festival map.

ACCESSIBILE CAMPING

We acknowledge that a number of our guests may have other mobility, sensory, cognitive or medical requirements beyond wheelchair access that may also require accommodation in the accessible camping area. Given the small size of the accessible camping area, we will do our best to accommodate any guest who identifies with any of these accessibility/medical considerations within this site. Depending on the number of enquiries, we may have capacity to provide a secondary accessible camping area that is a further distance to the entry gate but still provides access to the same amenities available in our primary accessible camping site.
We know some power-wheelchair users also need access to power for the purposes of recharging their power-chair battery. Please contact us if you require this consideration not only in the camping area but across the site more broadly.

If you require further assistance with any mobility, sensory, cognitive or medical needs while staying with us in the camping area please reach out to one of our friendly volunteers.
The festival has 2 x designated accessible camping areas available for campers with disabilities.
All camping sites are unpowered.
Camp Area 1 next to the Ute Paddock with access to toilet and shower amenities. (No caravans or trailers, Utes only)
